

“BEE” Alert and “BEE” Safe
Accident Prevention in your Living Room

Keep this in your kitchen and review the checklist from time to time.

- Does your rug cover the entire floor?
- Is your throw rug a non-slip rubber backed type of rug?
- Is your bathroom well lit?
- Are your handrails firmly attached to the wall?
- Do you have a non-slip rubber mat in your tub or shower?
- Do you lock your bathroom door when in the room?
- Does your emergency pull cord reach the floor?
- Do you have a night lite in this room?
- Is your floor free of clutter?

Remember! Stay healthy and be careful!
